"The Race for Quality and Value Has No Finish Line"

ES137S & ES200S

Description: "Shake N' Seal" Kits

ES1150

Shake N Seal Kits allow for users to splice wires in any environment, they are completely submersible in water and provide a permanent water tight seal. Protects from moisture and voltage leaks, as well as helps eliminate deterioration. Do not require a torch or flame.

ES200SV

Status: Active
